

LEGAL COUNSEL

5-10 years corporate experience needed

Intellipharmaeutics is a pharmaceutical company specializing in the research, development and manufacture of novel and generic controlled-release and targeted-release oral solid dosage drugs. Intellipharmaeutics is a public company whose shares are traded on the Toronto Stock Exchange and NASDAQ. The company conducts its business from its combined office, research and manufacturing facilities located in Toronto, near Pearson Airport.

Intellipharmaeutics is seeking a mid-level corporate lawyer to serve as legal counsel working with the company's management on a variety of matters and will report to the President and COO. Responsibilities include product licensing agreements, corporate matters, employment, workplace safety and working with external counsel on securities and litigation matters.

The ideal candidate will have 5-10 years of broad post-call corporate experience gained from a leading law firm or a major corporation. Experience with negotiating and drafting of pharmaceutical licensing agreements and general corporate experience will be an asset. In addition to being results orientated, the ideal candidate will have excellent inter-personal skills, a strong business sense and the ability to work well in a small-team environment.
